RE: CASE NO. 4:17-CV-02875-SEP; Appeal/Appointment of Counsel  
for Appeal

Mr. Linhares,

This letter is a notice to the Court that I desire to appeal  
the above cited case. I believe I have legitimate grounds to  
appeal that will cause the Appellate Court to reverse the jury  
decision.

I am serving this notice on the Court because the Attorney's  
the appointed to represent me at trial do not want to represent  
me on appeal, and are trying to force me to waive my right.

As this Court is well aware , the plaintiff can't read and write  
which is a fundamental reason this court appointed counsel.

Plaintiff request that this court treat this correspondence  
as a Motion for Appointment of attorney to represent me on appeal

Thank you for your consideration and assistance because this  
letter was drafted and written by another prisoner for me.

Respectfully Submitted,

  
Ralph Jones 182354 (6A-208)
